

The lightest portable lantern of its kind, the Vulcan 180 is designed to burn brighter and run longer making it an essential firefighting and utility tool. It features a 180° tilting head that allows you to direct light where you need it. Three white LEDs produce extreme brightness and two ultra-bright blue taillight LEDs provide visibility in thick smoke.

High and low modes:

- High for a bright, far-reaching beam: 1,200 lumens; 548m beam; runs 5.75 hours
- Low for a less intense beam and longer run time: 350 lumens; 296m beam; runs 16 hours

High-impact, super-tough nylon body; head constructed from high grade aluminum encased in super-tough nylon

Orange models include quick release strap
Yellow models feature heavy duty strap; Configuration with quick release strap available

IPX7 waterproof to 1m submersion; 2m impact resistance tested

Class I Division 2 Groups A, B, C, D; Class II Division 2 Groups F, G; Class III; Temp. Class T4

Rack meets requirements of NFPA 1901-14.1.10.2 (2016) mounted in any position

7.43" (18.8cm); 2.47 lbs. (1.12kg)

Limited Lifetime Warranty
