

AIR-PAK® 75™ & NXG7™

SELF CONTAINED BREATHING APPARATUS - FEATURES & BENEFITS

Scott's Next Generation Air-Pak SCBA's

The Air-Pak 75 and Air-Pak NxG7 SCBA's represent the future platforms in SCBA technology. Both of these SCBA's were designed to meet and exceed the rigors of the latest industry approvals and NFPA standards offering time-tested legendary features you've come to trust from Scott, from Top-Down-Convertibility™ to advanced technology of the AV-3000™ facepiece, E-Z Flo® regulator, through HUD integrated electronics combining to form the best SCBA system in the world.

Features

The Air-Pak 75 and Air-Pak NxG7 SCBA's are revolutionary self-contained breathing apparatus's that include enhanced design features built around proven Scott performance characteristics and incorporating technological advancements to meet the needs of first responders today and into the future.

Benefits

Our long-standing record of innovative engineering and reliable performance, coupled with our well established reputation for customer satisfaction provides the highest performance protection that users can count on day in and day out.

Feature	Benefit
Streamlined backframe	Improved hose management
Low profile backframe	User comfort, less fatigue
Durability	Fire ground ruggedized
AV-2000® & AV-3000™ facepieces	Excellent vision, comfort, communications
Top-Down-Convertibility™	Interchangeability
Legendary pressure reducer	Proven dual redundant system
E-Z Flo® regulator	Easier breathing regulator
Angled mechanical gauge	Easy to view console
Constant-on edge light	Can read gauge as conditions change
Central power management	Single module for batteries
Buddy indicator lights	Additional safety for firefighters
Integrated Heads-Up-Display	Hard-wired, eliminating false readings
Drag Rescue Loop	Enables RIT to drag firefighter
Optional Pak-Tracker™ Locator	Locates trapped/downed responder
Optional Communications Device	Facepiece mounted voice amplifier
Snap-Change™ cylinder (Air-Pak NxG7 SCBA)	Quick cylinder change-out
Low Cost of Ownership	Total customer satisfaction
Best Warranty in the Business	3 / 10 / 15-year warranty
