- Complies with 9 standards

# LEADER Sar

## ALL-RISKS HELMET

The **LEADER Sar all-risks helmet** is a high performance helmet with the facility to fit a variety of accessories.

The helmet has a **high level of impact protection** which gives the wearer excellent protection from impact/shock both from above or from the sides.

The **LEADER Sar all-risks helmet** is **tested to nine** different **standards** giving it the versatility to be used in a wide range of applications to include:

- **Maritime Rescue** / Coastal Border Security
- **Maritime Operations** / Ribs / Hovercraft
- **Technical Rescue** / Assistance
- **Working at height** / Urban Climbing
- **All Terrain Vehicles**
- **Confined Space** / CBRN environments
- Snowmobile / Jet-ski / Quad bike / Equestrian

## HIGH-VISIBILITY

### Vent covers

standard photoilluminest  
pair of vent covers.

### Reflective Tape

Complies with **SOLAS** approvals. This makes the **helmet far more visible** at various angles than standard helmets. Six strips of SOLAS tape are fitted to each helmet.

### Colours available

## SECURITY & COMFORT

Easy attachment of accessories, including headsets and ear defenders

### Retractable internal eyeshield

Meets the **EN166:2002** standard for industrial eye protection. Clear eyeshield for eye protection in any light conditions.

#### Options:

- Amber:

Reduces the haze of the blue light spectrum of sunlight. It sharpens the image, some small true colour distortion can occur.

- Smoked:

Reduces the brightness of the sunlight, without too much colour prejudice.

Comfortable harness

## OPTIONAL VISORS

Half Marine visor

Full Marine visor

### Marine visors

Designed to give **additional protection** from the elements when hazards are on fast vessels.

Made from Lexan Polycarbonate, a **very strong** clear thermoplastic. Meet the highest impact requirements according to **EN166**.

### Forestry Mesh visor

always in touch with our clients  
to design the **products you will need in the future**
