

PRODUCT DATA SHEET

Gray Wide Roll, Giant Sorb, Poly Laminated

Blue, low slip poly backing on a premium universal synthetic. Gray spun-bond top sheet reduces lint and increases strength. High performance core offers balanced absorption of oil and water. Contains SpillLock™, which absorbs 150 times its weight in water-based spills. To reduce leaks, pads and rolls are not perforated.

Absorbency: 55 Gal. of water and 44 Gal. of oil *
Base Fiber: Polyester

Simply The Best!

Item #	Color	Weight	Size	Recycled Content**	Units/Case	Weight/Case***	Case/Pallet
990311	Gray	Heavy	28"x150' (71cm x 45m)	72%	1	27lbs. (12Kg)	18

KEY FEATURES

- Medical-quality low-slip poly backing keeps absorbed liquids from penetrating to floors or surfaces below
- Good chemical resistance
- Superior strength means it can stay on the job longer
- Contains SpillLock™ to boost absorbency and reduce leaks
- Contains 72%* recycled fibers

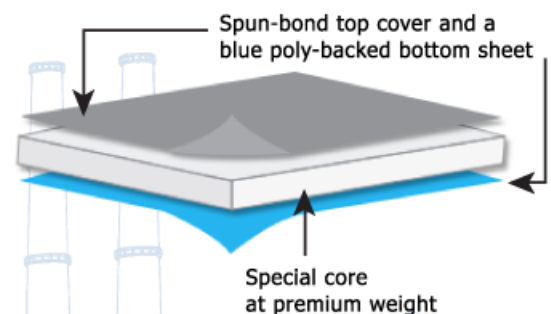

APPLICATION

Ideal for situations where you need to protect the floor below from the absorbed spills. Very effective in spray booths and similar operations. Specifically optimized to absorb low-viscosity water-based liquids. High absorption capacity for both oil and water-based leaks and spills makes it a versatile performer.

NOTES

- Avoid high-heat applications
- Fire retardant as per ASTM 726
- Ensure that disposal of these sorbents complies with all local, national and international regulations.

POLY-BACKED INDUSTRIAL

This product is made from sustainable sources

* Measures a case/bale using ASTM 726 (long test) with medium viscosity oil and tap water. Statistical average derived from real time production QC data.

** Basis weights and recycled content are ± 5%

*** Weight per case ± 1lb. (0.5 Kg)
