

UNIVERSAL

PROTECTION FOR
EVERYBODY

Enveloping, the UNIVERSAL fits everybody thanks to his B-Flex bridge and its pivoting temples.

The Universal impresses with its sporty design and technology. It's B-Flex bridge with memory retention is a unique design: flexible, its lightweight bridge adapts to everybody while reducing pressure points on the face. The temples pivot to allow the user to tilt the angle of the front and thus perfectly fit the face. Its dual injection straight sports temples grip guaranteeing flawless fit and ultra comfort.
