### Järven Fire Proof Mattress and Fire Proof Pillow

This mattress and pillow are designed for extremely demanding environments. The mattress and pillow fulfill all known fire standards in the world. The fire and smoke hazard is minimized by the unique coating that is resistant to open flame and glowing particles. The products are made of a fabric consisting of Aramid, a material used for bulletproof vests, and that withstands extremely high temperatures. The aramid based coating is welded in high frequency which makes the mattress and pillow exceptionally durable and liquid-proof. This mattress and pillow is suitable in sectors such as police arrest, jail cells, detoxification clinics, psychiatric units, and more. The products are CE marked according to MDD Class 1 and every single mattress and pillow is provided with a date label telling when it is produced.

### Care instructions

Järven Fire Proof Mattress and Fire Proof Pillow are easy to clean and disinfect this minimizes the risk of contamination. For routine cleaning we recommend wiping with a mild detergent and water. If disinfection is needed, use an alcohol-based cleaner with surfactants. Then wash with water, preferably with a high pressure cleaner (max 100 bar). Finally wipe with cloth.

**NOTE!** The warranty does not apply if damage to the mattress or pillow is caused by mechanical damage using pens or other sharp objects.
