UNIVERSAL SAFETY CUTTER

*The Safety Tool Designed for a Whole New Market:
Homemakers, Home Handymen, and Office
Workers will love this clever new tool*

Features and Benefits:

- Versatile for cutting corrugated boxes, bands, blister packs, twine & more
- Effective and convenient letter, bottle and can opener
- Safer for users and contents
- Value priced; long lasting, stainless iron blades
- Designed to be far more effective and versatile than old-fashioned box cutters
 - Durable silicone coated stainless iron blades are rust resistant
 - Two concave shaped blades on left provide a large, precise, long lasting cutting surface
 - Strategically placed top blade allows easy upwards cutting
 - The concave shaped blade on the right with elongated stem is a very effective letter opener
 - Soft rubber ergonomic grip is contoured for ease of use
 - Apply slight pressure with tip of blade to open boxes without damaging internal contents*
 - Attractive price points for customer appeal and good margins for a broad variety of retail, catalog, and ecommerce businesses

Product details:

- Constructed of high impact and recycled plastic
- 5 3/4" Length
